

# T3010/T3010s/T3110

## Professional Ink Printer for continuous and cut forms

T3010 and T3110 are narrow and wide format continuous forms printers incorporating Production Ink heads in place of impact print heads. This results in products with rapid throughput, consistent print quality, near silent operation, high workload capability, whilst maintaining low running costs. A narrow carriage model with integrated cutter (T3010S) completes the range.

Production ink continues to be offered exclusively by TallyGenicom, and offers real cost benefits unmet by competing technologies.

Typical applications are: matrix replacement for cheques, listings, reports, dispatch notes, labels and tickets. Targeted markets include manufacturing, warehouse, distribution, point of sale (hotels, car hire, stores, and ticket offices), health authorities, banking and finance.

Consumables

- Fast throughput - 820cps
- High workload - 36,000 pages per month
- Near silent operation
- Low total cost of ownership
- Ideal for barcode, label and forms printing
- Continuous and cut forms
- 20 million character ink cartridge
- Automatic cutting device - T3010S
- APACS accreditation for safe and secure cheque in fill printing

## Features & Specifications

## Production Ink Printer

<b>Printing Technology</b>	Ink
<b>Print Speed</b>	T3010: High Speed: 820 cps at 10 cpi; 980 cps at 12 cpi; 1220 cps at 15 cpi
<b>T3110: High Speed</b>	820 cps at 10 cpi; 980 cps at 12 cpi; 1220 cps at 15 cpi
<b>Print Head Type</b>	128 nozzle Piezo print head
<b>Workload</b>	Up to 36,000 pages per month ECMA 132
<b>Throughput</b>	600 pages per hour, 10 pages per minute
<b>Fonts</b>	HS Draft (Sans Serif), Draft (Sans Serif), Courier, Roman, Sans Serif, Prestige, Script, OCRA/B, 19 Barcodes and large character printing
<b>Character</b>	Density 10, 12, 15, 17.1, 20 cpi + elongated
<b>Line Density</b>	2, 3, 4, 6, 8, 12 lpi
<b>Graphics Resolution (VxH)</b>	360 x 360 dpi
<b>Paper handling - Standard</b>	Tractor paper. Push tractors with paper parking and AGA cut sheet front insertion with AGA
<b>Paper handling - Optional</b>	2nd and 3rd push tractor Single bin automatic sheet feeder
<b>Paper Cutting Device</b>	T3010S only
<b>Paper Types</b>	Continuous forms - 60 - 120gsm Cut sheet - 80 - 120gsm
<b>Interfaces - Standard</b>	Parallel and RS232 serial
<b>Interfaces - Optional</b>	10/100Base-T Ethernet (external), RS-422 (external)
<b>Emulations</b>	IBM® Proprinter™ XL24e, Epson® LQ (including ESC P/2 with scalable fonts), MTPL* + Bar-Code/LQ2170
<b>Operating environment</b>	Windows, DOS, UNIX, SAP, IBM Mainframe and AS400 ( with LAN or suitable Coax/Twinax adapter)
<b>Acoustic Level</b>	50 dB(A)
<b>Power Consumption</b>	30W - printing
<b>Weight</b>	T3010 and T3010S - 9Kg T3110 - 11Kg
<b>Dimensions</b>	T3010 - 300(h) x 460( w) x 295( d ) T3110 -300(h) x 600( w) x 295( d )
<b>Input Voltage</b>	120/240V 50/60hz
<b>Operating Environment - Temperature</b>	10°C - 35°C
<b>Operating Environment - Humidity</b>	20% - 80%
<b>Printhead Life</b>	1 billion characters
<b>Consumables Ink Cartridge</b>	20 million characters
<b>Options</b>	Printer stand

**NB: Paper is a highly variable medium, and should be tested prior to purchase. The quoted consumable life is the average for the printer when used under normal operating conditions.**
