

T8006e

High-quality business-class monochrome and colour laser printer

The T8006e Colour Laser Printer provides an outstanding balance of performance, quality and economy for business workgroups. From business documents to digital photographs, you'll find that the print speeds, output quality and easy network connection give you all the performance and abilities of more expensive business class laser printers and more.

At 6 pages per minute for colour and 24 pages per minute monochrome, the T8006e gives you true network speeds that are 50% faster than other colour laser printers in this class.

The T8006e makes it extremely easy to get vibrant colour output and can print on virtually whatever media you need to print on. The T8006e can print on plain paper, transparencies, glossy papers, thick papers, labels, envelopes and even T-shirt transfers, all in brilliant colour or crisp black and white.

Consumables

- Superior performance at 6 pages per minute colour / 24 ppm monochrome
- Robust monthly workload to 30,000 pages
- Up to 1200dpi professional colour quality
- Built in 10/100Base - T Ethernet as well as bi-directional parallel
- Print on a variety of media including plain paper, transparencies, glossy papers, thick papers, labels, envelopes
- Duplex option for two sided printing
- "Plug and play" CD provides easy installation and set up
- Lower cost of operation

Features & Specifications

T8006e

Colour Laser Printer

| | | |
|--|--|---|
| Printing Technology | Laser | |
| Processor | ARM 7 (On chip ASIC) 33Mhz | |
| Print Speed - Full Colour | Paper - Up to 6 pages per minute | Transparencies - Up to 2.7 pages per minute |
| - Mono | Paper - Up to 24 pages per minute | Transparencies - Up to 4 pages per minute |
| Monthly Workload | Up to 30,000 pages per month. 50% colour 50% mono | |
| Print Resolution - Max | 1200 x 1200 dpi - data resolution 600 x 600 dpi - engine | |
| Printer Language | Tally Compressed Printer Language (CPL) | |
| Memory - Standard | 32 Mb | |
| Memory - Max | 96 Mb (2 slots) | |
| Colour Matching | Automatic - document, photographic, graphics, custom and ICM (image colour match) | |
| Supported fonts | (Win 95 not supported point to point), Windows 98 TrueType, Windows NT TrueType, Windows 2000 TrueType | |
| Paper handling input - Standard | 250 sheet universal cassette or 15 envelopes | |
| Paper handling input - Optional | 2nd 500 sheet universal feeder | |
| Paper handling output - Standard | 250 sheet face down tray | |
| Duplexing | Auto Duplex option, requires lower feeder fitted | |
| Print media type | Plain paper, transparencies, labels, heavy paper stock, envelopes | |
| Paper sizes | A4, Letter, Legal (separate tray) Executive, B5 | |
| Envelope sizes | Com 10, DL | |
| Non-printable area | Top, left, right, bottom - 5mm | |
| Media weight | 64-90gsm (simplex and duplex) thick stock - up to 163gsm | |
| Interfaces - Standard | Bi-directional IEEE 1284 parallel for Windows Plug and Play | |
| Network printing utilities | Configuration via Tally web Panel - Web Browser, HP JetAdmin compatible Auto IP, SMTP (email), IPP, Discovery, Status Monitor | |
| Printer drivers | Windows 98/2000/Me/NT/XP and Mac | |
| Interface intelligence | Automatic Interface Switching | |
| First page print time | Mono - 16.5 seconds* 4 Colour - 24 seconds* * engine print time will vary with page complexity | |
| Warm-up time | 240 seconds | |
| Acoustic level (ISO 7779) | Standby <48dB(A) Operating <55dB(A) | |
| Power consumption | Energy Star Compliant, 30 watts (powersave mode), 260 watts (standby) 600 watts (average operation) | |
| Weight | 34.9Kg | |
| Dimensions | 410(h) x 500(w) x 520(d)mm | |
| Input Voltage | 220-240V 50Hz 120V 60Hz (optional models) | |
| Operating Environment - Temperature | 10°C - 32.5°C | |
| Operating Environment - Humidity | 20% - 80% relative humidity, non-condensing | |
| MTBF | 5,000 hours | |
| MTRR | Less than 30 minutes | |
| Consumables | Toner: Black - up to 12,000 images*, Yellow - up to 7,200 pages*,Magenta - up to 7,200 pages*, Cyan - up to 7,200 pages* *Based on A4 page with 5% coverage Fuser oil - up to 12,000 pages, Cleaning roller - up to 12,000 pages, OPC belt - up to 60,000 images, Waste toner bottle - up to 12,000 images, OPC charger unit | |
| Options | 2nd 500 sheet lower feeder, 32Mb memory, duplex unit | |

NB: Paper is a highly variable medium, and should be tested prior to purchase. The quoted consumable life is the average for the printer when used under normal operating conditions.
