

TallyGenicom. Printers that make the mark.

WHO WE ARE

Tally and **GENICOM** have teamed up to form the new TallyGenicom. With over 85 years of combined experience and with operations across the globe, we're now one of the largest companies in the world specialising in business-class computer printers.

WHAT WE DO

We offer the widest selection of ultra-reliable business and industrial printers, printing solutions and printer supplies. We provide a full range of impact and laser printers, including line matrix, serial, production ink, monochrome laser and colour laser.

HOW WE CAN BENEFIT YOU

Whether you print bar codes, reports, labels, bills of lading, invoices or other critical documents, we offer the advanced technology and customised solutions that keep your business running. Our products are used in most major industries including retail, healthcare, automotive, manufacturing, telecommunications, government, education, aviation, transportation and warehousing.

For a business class printing solution then look no further than TallyGenicom - contact us today....
